Using the table of discounted prices on the following page, choose how many nights to stay and how many times you would like to come. The minimum amount to deposit to your holiday account is 2500€, but if you want to take more holidays in the two year period you can deposit whatever amount you feel is best for your needs.

We understand that we are living in extraordinary times, so we have made this a **Zero risk offer**, and will make a **full, no-questions-asked, refund** for any amount deposited and not able to be used by 31.12.2023 for reasons associated with the pandemic

Use the table below to calculate the value you wish to deposit

Guests on **flexi-stays** can come as many times as they wish and have stays of as little as 3 days at a time with no limit to the length of stay.

Guests on **long-stays** can come as many times as they wish and have minimum stays of 21 days at a time with no limit to the length of stay.

The minimum deposit is 2500€ with no upward limit, to use for your stay for the next 2 years.
